In the Name of God, Most Gracious, Most Merciful

Praise to God, the Lord of the universe, peace and prayers be upon the master of the messengers.

To the dearest and precious mother, may God preserve her.

Peace, mercy of God, and His blessings be upon you.

God willing, this letter finds you at your utmost health and wellbeing, and Happy Ramadan to you...

Glad tidings to you regarding the release of Hamzah, his mother, and his wife, praise God.

God willing, 'Abdullah, 'Aisha, Usamah, and Siham are not giving their mother Maryam a hard time. May God accept it from you and put that in the balance of your deeds, and may God bring us together for the best.

How is your wellbeing and what is your news and how about any visions or dreams? Good news, I saw that I had been chased by a huge black snake. Next thing, I was grabbing its head. I opened its mouth and I saw as if all the teeth had shattered. Praise God, there were brothers close by. I told them, "There is no harm" or "It won't hurt you because we smashed its teeth..." And praise God...

Attached is a message from Umm 'Abd-al-Rahman ((Al-Bi Em)) (TN: VAR, BM) to you, and they await the reply from you...

God willing, as soon as the programs (NFI) become available, I will send them to you, and may God reunite us with you for the best, sooner rather than later... O! Lord, Amen...

And my regards to all at your end and don't forget us in your prayers.

Peace, mercy of God, and His blessing be upon you.

Your negligent son, Abu 'Abdullah, 15<sup>th</sup> Ramadan
